Dear Valued Customer.

Seeing the snow melting, is pretty much like saying, it's almost 5 o'clock on a regular office day. Excited for a new season, we'd like to take this opportunity to express our gratitude one more time, for your preference and for keeping us in mind among so many possible choices in this industry that we certainly know you have.

Our early scheduling program is open and including opening and closing contracts; Sign in and submit your payment before February 28th, and receive a promotional discount of $35.00 dlls when prepaying pool opening, or $75.00 when you prepay BOTH, opening and closing for the season.

NOW, AS WINTER COMES TO AN END, PLEASE LET US GIVE YOU A GOOD PIECE OF ADVICE. TAKE THIS FROM THE EXPERTS!!

IF YOU OWN A MESH COVER:
Early March, you must unplug and remove your automatic pump, so your pool can fill back up with rain water; after this date, shock your pool once a week with liquid chlorine (Especially on colored plaster).

IF YOU OWN A SOLID COVER:
It is time now for you to start filling your pool back up, remember to pump off whatever water excess might be on the cover and, inspect the quality of the water in the pool; if water is clear, simply proceed to fill pool back up with your garden hose a little bit at the time. (Especially if you are on a water well).

Pre-season services are also available to help your pool minimize the effects of the winter. As well as weekly maintenance services and weekly water test and balance.

Every action you take in the spring will reflect good or bad results upon the pool opening. Let us know how we may assist you.

Remember, we schedule on a FIRST CALL, FIRST SERVE basis. The sooner you call, the better chance you have of being scheduled on your desired date. Enclosed, you will find our opening/closing service form, please complete and e-mail, or call ahead to get personalized attention.

Should you have any questions or concerns, please do not hesitate to contact me directly.

COMMITTED WITH THE QUALITY, WE APPRECIATE THE OPPORTUNITY TO DO BUSINESS WITH YOU.
